

In the Field of Sport

TIGERS LEAD
VALLEY RACE

With Eight Straight Victories
Have Best Chance For a
Championship.

Missouri Valley Conference Standing	W.	L.	Pct.
Missouri	8	0	1.000
Nebraska	2	0	1.000
Kansas Aggies	5	1	.833
Kansas	6	2	.750
Ames	3	5	.375
Washington	2	4	.333
Oklahoma	0	4	.000
Grinnell	0	4	.000
Drake	0	6	.000

The Tigers with eight victories and no defeats to their credit are being heralded as the best prospect for the championship. However, due to her easy schedule, Nebraska has even a better chance than the Blue and White aggregation. Coach Schisler's men have about half as many games as the Missourians and they do not play the stronger teams in the Valley.

The next ten games which the Missourians must play will prove stiffer combats than any that they have played so far. The Aggies who have lost but one tilt will be met next week at Manhattan. Drake, an unknown foe, will come to the Tiger institution the following week, and after that the Tigers will go to Kansas for what promises to be the two most grilling battles of the season. Returning home the Aggies will close the season.

Beginning this week against Washington the Tigers have no bed of roses.

ST. LOUIS U'S SCHEDULE

Only One Football Game to Be Played
Away From Home.

With the closing of terms with Missouri University for a football game in

St. Louis October 8, and with De Pauw University of Greencastle, Ind., in St. Louis, October 22, St. Louis University's gridiron schedule was completed for 1921, says the Globe-Democrat. With the program all dressed up, Father Hermans, athletic director of the Blue and White institution, has but to make public the name of the new coach with whom he has closed to succeed Rademacher, and everything will be in readiness for an expected successful year on the gridiron.

Father Hermans announced Saturday that the University of Missouri had wired him that the Tigers were willing to again play the game in St. Louis, which was the only item blocking the arrangement for some time. The contest will be the third of the season for the Billikens, which will mean that the Blue and White warriors will have to turn out strong at the start of practice and work diligently each day under their new coach in order to be able to cope with the always powerful attack of the Tiger.

According to the schedule handed out by Father Hermans yesterday, the Billikens have only one out-of-town game for next season. That is the game with Creighton University of Omaha, Neb., which will be contested at Omaha. Instead of playing the Rose Polytechnic eleven in St. Louis on October 1, as the Billiken board had planned, the Kansas City University of Kansas City, will be met in St. Louis. The schedule in full follows:

September 24—St. Louis U. vs. Drury in St. Louis.
October 1—Kansas City University vs. St. Louis U. in St. Louis.
October 8—Missouri University vs. St. Louis U. in St. Louis.
October 15—Rolla vs. St. Louis U. in St. Louis.
October 22—De Pauw vs. St. Louis U. in St. Louis.
October 29—Lombard vs. St. Louis U. in St. Louis.
November 5—Westminster College vs. St. Louis U. at St. Louis.
November 25—Washington University vs. St. Louis U. at Sportsman's Park.

URGES SUPPORT
OF BOXING BILL

"Fighting Parson" Even Cites
Scripture Texts to Back
His Arguments.

By a Staff Correspondent.
JEFFERSON CITY, Feb. 2.—Earl Blackman of Chanute, Kan., better known as the "fighting parson" of the Thirty-fifth Division, spoke before the House last night on a bill now pending in the Legislature to legalize boxing in Missouri. The House meeting was called for the benefit of the American Legion's committee on legislation, which is representing the legion here in the interest of bills before the Legislature.

The minister spoke of boxing as a "manly art" and urged that it was one of the best sports to develop red-blooded men. He traced the history of boxing from the barbaric tribes in Europe, through the London prize ring, the development of the Marquis of Queensbury rules, down to the boxing bout of the modern day. He held it no more brutal a sport and just as clean and helpful as football.

A member of the House asked the parson to cite a text for his argument in the Scriptures. Mr. Blackman immediately referred him to a passage in the ninth chapter of Paul's letter to the Corinthians. Another member remarked that since boxing was such a good thing to teach to men why not teach it to women? At that, another representative arose and objected to any such provision in the bill, saying that he "spoke for the married men."

The bill in question would legalize boxing in Missouri in clubs licensed by a State Athletic Commission appointed by the governor. Boxing could be carried on for purses, but all betting before, during or after a bout, would be barred under penalty of revoking the license of the club.

Alex B. Saper of Jackson County, a former soldier and wounded veteran of the Argonne made an eloquent appeal for the bill. He mentioned the benefits derived by the soldiers from boxing during the war and ended his speech by asking that the legislators who stayed at home while soldiers fought, bled and died for their country, support the boxing bill.

BASKETBALL TITLE IN SIGHT

Post-Dispatch Says Tigers Have
Honor Clinched.

Commenting on Valley basketball, the St. Louis Post-Dispatch concedes the title to the Tigers. With two formidable teams successfully disposed of and with a perfect score for the eight games so far played, Craig Ruby's men have the Valley outclassed at every turn, the St. Louis sport writer believes.

Only one other team is boasting a spotless record. Nebraska ranks just under Missouri on the chart with a percentage of 1.000, but has only two Valley games upon which to base title claims.

Kansas Aggies, reported to be Missouri's most dangerous rivals for the top rung, have won 5 and lost 1, giving them a percentage of .833.

M MEN ON "ALL-AMERICAN"

Hamilton and Scholz Selected by
Frederick Rubien.

Brutus Hamilton is picked for the decathlon and Everett Bradley of Kansas University for the pentathlon, in Frederick W. Rubien's All-American track team selections which has just been published. "Jack" Scholz, former University runner, heads the dash men as the pick of the United States for the 60-yard dash. Loren Murchison, who won over Scholz in the Illinois A. C. meet last week, is Rubien's choice for the 300-yard distance. Rubien also picks an All-American college team in connection with his All-American choice. Neither Bradley nor Hamilton is listed among the collegiate performers.

SIGMA CHI TEAM WINS

Kappa Alphas Lose by Five Points
in Pool Tournament.

The Sigma Chis defeated the Kappa Alphas, 50 to 45, yesterday afternoon at the Recreation Parlor and went into the lead in the fraternity pocket billiard tournament. The game was hard fought throughout, Sigma Chi overcoming a big lead which the Kappa Alphas piled in the early part of the game.

The standing of the teams concerned is: First, Sigma Chi with 9 won and 2 lost; second, Kappa Alpha with 9 won and 3 lost; third, Beta Theta Pi with 8 won and 3 lost. Sigma Chi will play Beta Theta Pi at 4 o'clock this afternoon. This game will decide the winner of the tournament.

FOOTBALL YEAR 'ROUND

The Season at Chicago U. Never
Ends.

The football season at the University of Chicago never ends. In late November the gridiron stars put away their uniforms for three weeks after the close of the conference race to get ready for the fall quarter examination, but after the holidays the mild weather prompted Coach Stagg to call the athletes out for more exercise, and unless snow falls, the boys will keep it up all winter. The regular spring practice starts in April, giving the forward pass slingers the heaviest dose of drill ever assigned to a Chicago squad.

The reason is no secret. Chicago faces a most ambitious task next fall. The schedule of conference games is as

Only
One

that's

4 leaf blend

You want a real cigarette that is full-bodied, with that good old tobacco taste. That's why we put Kentucky Burley heart-leaf in Spur.

A totally different kind of leaf is needed for that spicy, aromatic aroma. That's why we put rare and choicest selection of Macedonian leaf in Spur.

Then there is the leaf that gives "life" and "sparkle" to the blend. That's why we put Golden Virginia in Spur.

And it is possible to make a cigarette that burns just right—yes, cool-burning. That's why we put Maryland-grown leaf in Spur.

Good old tobacco taste—Spicy Aroma—Sparkle—Cool Burning
Can You Beat It?

Crimped

Here's something out of the ordinary: a patented machine that cleverly fastens together the paper edges without using paste. You bet it's a good idea! No paste means better taste, trimmer looks. That's why we crimp the Spur seam.
